### **MOST SUCCESSFUL (BEACH)VOLLEYBALL PLAYER IN AUSTRIA**

"Talent wins games, teamwork and proper leadership wins championships." Only those who work together as equals will survive in the long run. Especially in beach volleyball, this insight was very important.

As one of the most successful summer athletes and most successful (beach) volleyball professional in Austria, I was able to qualify for 4 of the last 5 Olympic Games, am double European champion and wrote an Austrian sports summer fairy tale with the 2017 World Cup final on Vienna's Danube Island.

Due to many setbacks and over 10 knee surgeries, I have internalized the mindset "comebackstronger" for me. The exploration of the topics "focus - pressure - motivation - leadership" were the great pillars of my career.

I am convinced that there are very many parallels between business and sports from which both can benefit and learn.
